

Law360: DLA Piper's Ex-Client Wants Malpractice Suit In State Court

In "DLA Piper's Ex-Client Wants Malpractice Suit In State Court," Law 360 writes about firm client, Link Motion Inc's legal malpractice claim against DLA Piper.

The smart car technology company suing the BigLaw firm requested New York's Supreme Court to move the suit back to state court, claiming the federal courts do not have jurisdiction over state law malpractice claims even if they do have jurisdiction over the underlying securities lawsuit.

The case is Link Motion Inc. v. DLA Piper LLP (US) et al., case number 1:22-cv-08313, in the U.S. District Court for the Southern District of New York.

Rosanne E. Felicello, Michael James Maloney, and Kristie M. Blase represent Link Motion in this matter.
