International Women's Day March 8, 2025: Saluting the Achievements of Women

International Women's Day March 8, 2025. Felicello Law P.C. joined with others around the world to honor the achievements of women across all aspects of life - social, economic, cultural, and political - while also advocating for gender equality.

As a majority woman-owned law firm, we believe that positive progress can be made for women everywhere with the right action and support.

We are fortunate to have Rosanne Felicello, Kristie Blase, and Nydia Shahjahan as colleagues at Felicello. They are incredible women, attorneys, and team members whose ideas, creativity, and strength inspire us daily.

Please join us in thanking them.
