

The Licensing Journal: What to Expect in a Copyright or Trademark Infringement Lawsuit

In, "What to Expect in a Copyright or Trademark Infringement Lawsuit," (Wolters Kluwer, The Licensing Journal, August 1, 2025), Felicello managing partner Rosanne Felicello discusses the significant effects trademark and copyright law can have on the success and growth of a business.

She notes, "Facing a trademark or copyright infringement lawsuit can be daunting, but understanding the legal process and alternative dispute resolution options can help businesses decide their best course of action when defending intellectual property and safeguarding their creative and commercial assets."
